

Exploring Girl Party

\$110 weekend rental fee (approx. Fri. – Mon.)
 See Page 2 for coordinating kid-size table settings

1. What a fun way to start the party...dress-up fun our Dora-like outfits (pink shirt with "estrella" star emblem and Backpack) and Diego-like outfits (blue shirt, adventure vest, and Rescue Pack) . Twelve costumes included, additional costumes are available for a small fee (up to sixteen total). Includes a decorated child-height wardrobe rack and Dora vanity mirror station.

2. Once in character, the kids will love a real explorer adventure. Our scavenger hunt takes your little Dora & Diego fans on a mission to find six of their favorite friends. They'll collect character cards in their Backpacks & Rescue Packs, and then return their completed card for a Dora or Diego hand stamp reward. The Dora chair and circus gazebo make a comfy and shady reward station!

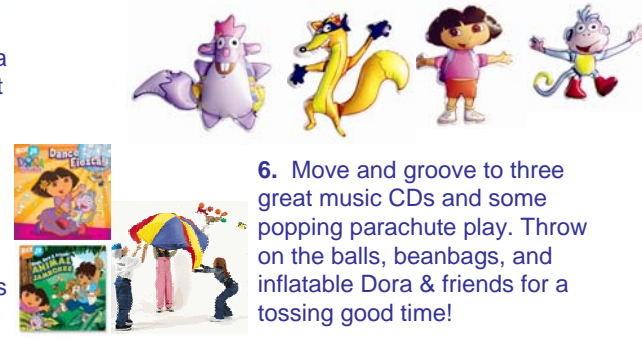

3. Imaginations will continue to soar with these fun free play features: Diego rescue jeep tent, inflatable Dora puppet theater with inflatable puppets, and fun ball pit.

4. On your mark, get set, go! Little racers will love balancing their Dora and Diego beanbags on big spoons while racing to dump them in the cute pails (Diego pail not shown). Make it a relay and have them bounce the balls into the bins. When the relays are over, set the bins aside to fill with our colorful paper shred (included) and your party favors. At the end of the party, have guests dig in the bin for their hidden take-home treasures!

5. It's game time! "Pin the banana on Boots" and our scavenger hunt are sure to delight! Your little guests can help Boots eat his favorite snack with this 16 x 20 poster and 15 laminated bananas with wipe-off marker for writing player's names and a bandana blindfold. Scavenger hunt includes all the favorite characters (photos coming soon).

6. Move and groove to three great music CDs and some popping parachute play. Throw on the balls, beanbags, and inflatable Dora & friends for a tossing good time!

7. Spread out these super soft blankets (also great decorations draped over your couch or comfy hang-outs for any babies) and offer story time. Use the hand puppets to add some flare to story time!

Other goodies include: an attention-grabbing 4' electric air-blown Dora birthday cake, a star baking pan with sticks to make "estrella" treats, a cute beaded lamp (makes a great centerpiece), a Diego bop bag, a Dora hopscotch or play mat, and a laminated poster.
