Mermaid & Under Sea Table Settings

Scroll down all the pages to see the different style princess tables!
Not just for snack time...do a craft, play musical chairs, and of course, it is picture-perfect when it's time for cake and the birthday song!

Table Settings:

All table settings include 2' square child-height tables that fit together to form a rectangle table (total length depends on number of seats, maximum length is an 8' table that seats up to 16 children), folding children-size chairs, white satin chair covers and tulle bows with crystal-center flower, linen table cloth as base layer in complimentary color, satin table cloth for top layer, coordinating organza table runner, themed place card holders, reusable themed place cards with wipe-off marker for writing names, themed napkin rings with feather poofs, linen napkins, faux floral side centerpieces, and a themed centerpiece.

Seating for 6: \$55, for 8: \$60, for 10: \$65, for 12: \$70, for 14: \$75, for 16: \$80

Parties larger than 16 will need to split their order into two table settings*, so pricing would be:

Seating for 18: \$120, for 20: \$125, for 24: \$130

Add a sea princess throne for b-day girl: \$12

Plays a royal tune when sat on, kids love it!

Table Canopy: we rent a 10x10 white commercial-grade EZ-UP (one-minute set-up with two people), that comes with carry case with wheels. Two of our children's table settings for 10 (20 total) will fit under it. Also great over food tables or adult seating or a play area. **Rents for \$45**

Rent our canopy decoration pack to make it come to life with the sea theme: dangling jellyfish and sparkly sea weed: **Rents for \$20** (photos coming soon)

Make it an under the sea tea with our beautiful real china settings!

\$6 per place setting: 7" china plate, tea cup/saucer, gold demitasse spoon/fork, and clear "crystal-looking" plastic plate/dessert bowl. Also includes one white tea pot, cream/ sugar set per 6 place settings. Please see our "Servers" file and our "Owl" theme for more pictures of our china settings.
