

“Ok Mommy, I want an ‘Owl Art & Tea Party!’”
 I wasn’t sure what to do with that one, but we sure had fun with it!
 Keep scrolling down to see details, owl face painting, owl cake, party ideas & more!

The primary “roosting” spot was our adorable table setting. Each child had a plush owl in a nest bowl of pretzel sticks & egg candies, complete with their own “owl adoption” card. The little tea pot place card holder was perfect for storing their “build an owl bracelet” bead craft. Scroll down to page two for the very popular “owl clubhouse” or “owls nest!”

Table settings include tables, chairs, satin chair covers with tulle bows and flower clips, satin tablecloths, centerpieces, place card holders with place cards, and linen napkins with cute owl napkin rings.

Owl Table Settings

Owl Table Settings:

All table settings include 2' square child-height tables that fit together to form a rectangle table (total length depends on number of seats, maximum length is an 8' table that seats up to 16 children), folding children-size chairs, white satin chair covers and tulle bows with crystal-center flower, linen table cloth as base layer in complimentary color, satin table cloth for top layer, coordinating organza table runner, themed place card holders, reusable themed place cards with wipe-off marker for writing names, themed napkin rings with feather poofs, linen napkins, faux floral side centerpieces, and a themed centerpiece.

Seating for 6: \$55, for 8: \$60, for 10: \$65, for 12: \$70, for 14: \$75, for 16: \$80

Parties larger than 16 will need to split their order into two table settings*, so pricing would be:

Seating for 18: \$120, for 20: \$125, for 24: \$130

*If you want a table canopy over your table setting, the maximum you can fit is 12 and you will need to split your order into two tables and two canopies for parties larger than 12. For example, in this case

Seating for 14 would be \$110, for 16: \$120

Add a fanciful roosting throne for b-day girl: \$12

Comes with pretty vine garland to drape around it.

Flower Canopies: \$35 each

Our small canopies are best suited for indoors or wind-protected back yards. They are not intended to withstand windy conditions which occur at parks and playgrounds. One canopy accommodates a table for up to 12, you will require a second canopy and second table setting for larger parties. They have a low profile and are perfect over our table settings, but you would not use them for adults to walk under...unless they are pretty short adults!

We also rent a 10x10 white commercial-grade EZ-UP (one-minute set-up with two people), that comes with carry case with wheels. Great over food tables or adult seating or a play area. **Rents for \$45**

Make it a royal tea with our beautiful real china settings!

\$6 per place setting: 7" china plate, tea cup/saucer, gold demitasse spoon/fork, and clear "crystal-looking" plastic plate/dessert bowl. Also includes one white tea pot, cream/sugar set per 6 place settings. Please see our "Servers" file and our "Owl" theme for more pictures of our china settings.

The "Owl Clubhouse" or the "Nest"

Once all the table activities were done, all our little owls retreated to this cozy nest to read owl books to their little plush owls, and of course to giggle & be girls. It later made the perfect spot for gift opening and lots of hugs with friends. Most of the girls said this was one of their favorite parts of the party!

Owl books are from library, but the canopy, blankets, pillows and plush owls are rentals. Create a cozy clubhouse for your next party, would be cute and useful for many different themes! The kids seem to love having a party-size "fort!"

Note on bottom left photo: the family dog thought it the perfect cozy 'den' as well!
 Sorry, canine not included! 😊

Canopy: \$35 each
 Clubhouse linens: \$25
 (2 fuzzy pink throws with 2 matching pillows, 2 lavender fuzzy throws with 2 matching pillows, 4 polka dot flat sheets)
 Owl plush pillows: \$5 each rental

Owl Party Extras

Hanging Door Entry: \$12

Hanging Owl Tree Canopy: \$12

Owl Cake: amazing, the owl on top is edible but we chose to keep it "forever!" The nest was made from the yummiest butter cream frosting, rather than fondant, so there was even more melt-in-your-mouth heaven to be had! Our daughter chose a chocolate and vanilla swirl cake, and after she took a bite, she exclaimed, "I picked the perfect one!" The owl now decorates her room and reminds us of the day!

Owl Face Painting!

It was so fun to watch each child "transform" as our expert face painter gave them their own unique owl persona - magical!

Owl Party Ideas

www.orientaltrading.com has affordable owl favors and decorations. www.etsy.com has amazing handmade invitations, favors, and decorations. There are many cute owl crafts and ways to make owl food (Google it!). The owl pizza was my daughter's idea, easy and fun! 😊

The art part of our party was pretty simple, little owl beads made for cute bracelet making, the girls painted and gemmed ceramic owls, and they loved filling out the owl adoption cards for their plush owls. We had them go around the table and introduce each owl with their name and favorite activity...always fun to hear what comes from the mouths of babes!

For more outdoor active fun, the girls ran around with their plush owls and came up with all sorts of imaginative fun on their own, even getting some owl soccer games started. For a more organized activity, we played "What Time Is It Mr. Owl?" and that was a huge hit (one child is the owl and the rest were field mice, when Mr. Owl says "it's Midnight!" that means feeding time so all the mice run...a simple spoof off "What time is it Mr. Shark", but the owl swooped down with wide-spread wings and talons ready for action 😊

The Real Deal!

Party Pax is currently working with a local wildlife rehabilitation, education & conservation center to bring some of their amazing owls to your next party. It will help support a wonderful cause and add such special memories to your day!
